Our program is available for bookings in the *spring* semester of 2025. For the purposes of this opportunity, we are not able to reserve a date/time in the fall of 2025; although you are welcome to book without the grant and subsidy for any other time during the next school year. Please list below **THREE** date preferences below that would work best.

Note: Some of the content of the program helps kids with STAAR testing and language arts grades during the whole year. While we are happy to produce the program at the end of the school year, we **highly** recommend booking this program for other times, such as February 10 - May 9, if possible.

Date Preference One

Choose One: **Early** (8 AM - 11 AM) or **Late** (11 Am - 3 PM)

ALSO, we are producing a public production of *Magic in the Library Live* where school groups can come as a field trip to Ector County Library and see the program and explore the public library. This will most likely be on May 2. Would you be interested in doing a field trip to the library on this day instead of having us come to your school?

Magic in the Library Live is a teaching opportunity, not just entertainment. Below are a list of topics that are normally covered in the school version of the program. Please circle **THREE** topics you believe your school would **MOST** benefit from our presentation. (We aim to cover *all* these topics but may emphasize the ones you select when we arrive.)

STAAR Test Prep (especially reading)	Reading Comprehension	How to Write a Short Paper	How to Read for Fun	How to Explore the World by Reading	Using Books for Research
Academic Peer Pressure	Your Teacher is Your Friend, Not an Opponent	Harmony of Books Amidst AI & Internet	The Importance of a Library	Common Literary Genres	Literary Mediums

This program is made possible by the Odessa Arts Cultural Tourism Grant, The City of Odessa Hotel Occupancy Tax, various third-party sponsors, anonymous contributors, and the Magic in the Library Initiative. The only out-of-pocket expense is a nominal processing fee of \$125, or less. Do you predict that this fee will be an obstacle for your school?

Please sign below to acknowledge (1) that this form is NOT a contract and does not guarantee date/time availability (2) that approximately 90% or more of this program is paid for by the aforementioned groups (3) that the *best* time to schedule is NOT at the end of the school year but rather in February 10 - May 30, 2025.
